

Precision Biologic
140 Eileen Stubbs Ave
Dartmouth NS B3B 0A9
Canada

Revealing
the mystery...

Medical laboratory professionals work behind the scenes, conducting tests that guide more than 70% of medical decisions.*

The tests they conduct save time, costs, and lives by enabling early detection and prevention of disease.

Precision BioLogic salutes these healthcare detectives.

*American Clinical Laboratory Association (ACLA)

**Medical Laboratory
Professionals Week
April 22-28**
